

Dear Florida Karting Championship Series Members and potential racers,

I would personally like to thank each and every member that nominated me to run for Presidency of the Florida Karting Championship Series in 2011. As announced at the fourth round of the series in Ocala, I would not run for the President's position this upcoming season and would officially like to remove my name from the ballot.

It has been a great two seasons and I have really enjoyed the challenges of helping grow the series to where it is today. In the short period as the president of FKCS I have grown as a leader and as a person and from the bottom of my heart I say thank you to all members for allowing me the freedom to lead. This has been by far one period of my life I will always look back and smile. I have come to know the FKCS members as a growing family. I look forward to meet my upcoming challenges with the same intensity as I have done for FKCS and its members.

As mentioned earlier this season, I have several businesses in which I am trying to grow that will need my utmost attention, one which includes becoming a Tony Kart distributor for the United States and I did not want there to be any conflicts of interest as an active board member in the future. I will continue to support the series for the years to come including the end of the year charity event to help raise money for the Victory Junction Camp and OGP will continue series sponsorship and the end of the year gift certificates.

I wish the new President the best of luck and will look to make this transition as easy and pain free as possible. For that President, the board members and the participants of the FKCS program, I will always make myself available for any questions comments or concerns regarding the series.

Thank you again,

Sincerely,

Jorge Arellano
